A MESSAGE FROM TCC'S INTERIM GENERAL MANAGER

MIKE BISCOTTI

Dear Members:

It is my pleasure to serve as your interim General Manager for the next few months. I have had the opportunity to meet and talk with many of you and I appreciate the warm welcome you've given me. I am fortunate to have Katie's support during the transition of leadership, which is not always the case. She and the entire staff have been very helpful as I try to learn the ins and outs of the day-to-day operations of the club as

quickly as possible.

I have 27 years of experience managing private clubs. Starting in the club business in Park City, UT, I moved on to Cincinnati, OH, Portland, OR, Palm Springs, CA, Prescott, AZ, Honolulu, HI, and Holly Springs, NC, where my wife and I currently live. I retired from full-time club management about two and a half years ago and signed on with a good friend of mine who started an interim General Manager and Chef placement business. My first assignment was a member owned club in Corvallis, OR, and most recently at a member-owned club in Charlotte, NC.

Over the next few weeks, I plan to work with the members to better understand the demographics of the New Bern area and develop a membership strategy to present to the owners. Taberna Country Club has a lot to offer and I believe we can attract new members if we have the right offer on the table, and with your help. The best private clubs are built by members inviting their friends to join their club.

I look forward to seeing you at the club.

Thank you for being a member!

Sincerely,
Mike Biscotti

Caffeinated Soul Boogie
 AT TABERNA COUNTRY CLUB!

"Eclectic folk rock with a slight bit of funk jazz Americana blues"

Music with a touch of roots. Music with a backbone. Music with a passion. Originating in a coffee shop as a father/daughter duo, Darrin Yeager and Derrick Moore began playing cafe's, sidewalks, and open mic's from New Bern to New Hampshire. Adding bassist and guitarist Daniel Baker and drummer Tanner Bright takes the sound to a whole new level and expands the range of this dynamic group.

"Our purpose is to share our love of live music, to create an atmosphere that encourages friendships and good times, and to encourage fellow musicians to do the same."

We are a folk rock band, an indie rock band, an eclectic roots jazz funk blues band, and a band that drives each other to discover new sounds and styles of musical expression."

with Susan Mabie & Courtney Reichenbach

Water Aerobics Schedule:
Wednesdays 9 a.m.: Courtney Reichenbach

Susan Mabie is a long-time resident of Taberna, and has been teaching Water Aerobics at the club pool for many years. Susan is also a fitness instructor at the YMCA, as well as an accomplished vocalist. Fitness is a life-long commitment for Susan, as neighbors often see her jogging, walking or biking through Taberna on a daily basis.

Our newest instructor, Courtney Reichenbach is a North Carolina native. Courtney and her family recently moved to the New Bern area. She has been a group fitness instructor for over ten years and teaching water fitness since the very beginning. Courtney says the most rewarding thing is playing a part in someone's wellness journey.

She is a big advocate for water fitness, because you can get a great workout, but take some pressure off the joints!

She looks forward to getting to know participants and helping them stay fit!

TIGERSHARKS SPOTTED AT TABERNA COUNTRY CLUB

By NANCY DIXON

With the onset of summer, one thing you can count on is that there will be increased activity around the Taberna community – more golf, more patio parties, and more folks enjoying the pool. You may have noticed this summer that a few days each week the

pool is bustling with our young people practicing hard as members of the Taberna Tigershark swim team. The Tigersharks are made up of 56 swimmers ages 3 to 15. Coached to excellence by fellow Tabernian Annette Williams, our Tigersharks have competed in four meets, three of which were at our Taberna pool and they have represented our community admirably. Many of our youngest swimmers have progressed so rapidly that they have been able to compete in their first meet this summer.

Last Saturday was our final home meet at Taberna and, with 90

swimmers and their families, the pool deck was alive with great competition and community spirit. The Taberna Tigersharks will be representing our community at the Greater New Bern Summer Swim League Championship meet at the Twin Rivers YMCA in July. We will do you proud!

The Tigersharks would like to thank the Taberna Club and the community as a whole for making this experience available for these impressive young boys and girls as they strive for fun, camaraderie, and excellence.

Green Grass! All that fertilizer did NOT go to waste! When we finally got a little rain, over the Member-Guest Weekend, this entire

course seemed as though it had turned green within 48 hours. The fairways and greens are in fantastic shape and the word is getting out in Eastern NC that we are one of the best-conditioned courses in the area. As is every year, our Bent Grass greens are in for a tiny battle against the heat in July and August, but everything is in line for a great golf experience through the end of the year.

COURSE NOTES

With all this grass growing, I am doing my best to keep the course marked. Don't hesitate to let me know if you notice all those red and white lines fading and I will put it on my radar to re-mark them. Sometimes it is tough to keep up with nature.

We hosted our Member-Guest Tournament on June 6-8th with 20 members bringing in their guests from all over. Thursday was the start of our tournament which centered around a practice round, putting contest, skills competition on #9 green, and a great social af-

terward. After all the matches were completed on Friday and Saturday, we had four teams enter the shootout for the Overall Champions. Brian Binn and his guest, Dave Walczak, Jason Raper and Preston Montague, Bart Rovins and Ira Powers, and Jim Wilson and Larry Stine. After the first two holes, we had a cut down to two teams to play #18 for the Overall winners. Brian Binn and Dave Walczak pulled out victorious over Jim Wilson and Larry Stine to win the Overall Member-Guest Championship! Congratulations to all the flight winners and to Brian and Dave!

On June 17th, we hosted the Taberna Ladies Invitational with 62 Ladies coming to our course from all over Eastern North Carolina. The event was excellent! Under Debbie Polacke's leadership, we had a great day of golf, with the volunteers on and off the course, the condition of our golf course, the prizes and sponsors, a ton of fun was had by all. Great job, Debbie, and we look forward to doing it again next year!

PRO SHOP NOTES

We are having a sale on boxes of Srixon Q-Star golf balls — 1 dozen for \$25, 2 dozen for \$40. Srixon is teamed up with Ernie Els and his charity, Els for Autism Foundation. One dollar for every dozen sold will be donated to his foundation.

If you haven't seen or heard, we are doing two Kid's Summer Sports Camps in

July. It is open to children ages 7-12. Each day your child will participate in a tennis clinic, golf clinic, and swim clinic taught by instructors and volunteers. They will also enjoy free time and lunch each day. The first camp is July 9-12th and the second camp is July 23-26th. Each day for both camps runs from 8:00AM – 12:30PM. The cost is \$125 for Taberna Members and \$150 for Non-Members.

We will host two (yes, two!) Couples' Golf nights in July. The first being Thursday, July 11th and the second Couples' Golf being Thursday, July 25th. Last Couples' Golf night we had 36 people and it should only get bigger and better. Different formats will be played each time. We will do a 5:00 PM shotgun start again each time.

Finally, I must mention my **STAR PERFORMERS** in June.

- ★ Linda Sagan had her personal 18-hole best on June 4 with a 98!
- ★ Barbara Herl shot a personal best 89 on Saturday, June 22;
- ★ Tom Whitty shot his personal best in June with an 85!
- ★ Mel Walczak gets two mentions... First, on May 29 (after my June article was submitted), Mel holed out from 70 yards away on #7 for par. And second, Mel shot his personal best 72 on June 15 with only 21 putts! He must have been inspired by Justin Rose in the First Round of the US Open.
- ★ Lastly, but the most important achievement of June (in my opinion) goes to Nancy Dillon. Nancy was one of our Beginner Golf Academy students in the Spring and had her first par ever on #17 during a TWGA Tuesday. Keep up the good work!

With all the great weather and the great roll on the fairways, the **STAR PERFORMERS OF THE MONTH** kept pouring in!

NEWS FROM THE GOLF LEAGUES

TMGA

Mel Walczak

I begin this month's message with a follow-up on the Club's Member/Guest Tournament. For the 20 members who hosted their guests, it was a most wonderful experience. Despite the occasional rain (which did wonders to green up the course), everyone had a great time. Jason, our Pro, had everything so well organized and made everything run so smoothly, including the Casino Night that was part of our closing dinner. Mike, our Chef, served some amazing food. I particularly liked the shrimp and grits that were part of our breakfast buffet. Folks who ordered the filet for the closing dinner said it was the best prepared steak they have ever had. Next year, I hope we are able to attract a much larger field.

Sadly, June brought us the news that our exceptional General Manager, Katie Shorter, would be leaving her position to devote more time to her family and to pursue some other creative work opportunities. The TMGA is surely indebted to Katie for her tireless energy in leading Taberna CC through the difficult re-organization period to a level of some prosperity. I for one shall miss her smile, her enthusiasm and her care and concern for

our Club. She is truly responsible for the success of TEAM TABERNA. I know I join all of the TMGA in offering words of gratitude and best wishes as she moves forward in her journey. Farewell Katie!

Farewells are almost always followed by words of welcome. On that note, I wish to welcome Mike Biscotti, as our Interim General Manager. Mike is charged with leading the Club through the "sale" period and the transition to "new ownership." When I first met Mike, I told him that I hoped his stay would be very successful, but also very short. On behalf of the TMGA, welcome Mike.

Just in case you haven't noticed, the golf course is in magnificent shape (Thanks Wade and crew!). So, make plans to come out on Wednesdays and join the TMGA for a variety of events that have been planned by our tournament chair, Brian Binn. Also, our mid-season "free lunch" event will be held on July 17. Mark your calendars and plan to play. If you can not play, but would like to join us for lunch, please let the Pro Shop or me know of your intention. So, let's have fun out there enjoying the beauty of summer and our great golf course.

TWGA - 18-HOLERS

Julie Jones

Ditto me, too, on what Mel has so eloquently written above regarding Katie! We all owe her a great deal of gratitude for the incredible turnaround she has brought to Taberna CC over the past two years of her leadership. From the fresh, light paint on the walls of the dining room early on, and in every other facet of the Club's life, Katie has swept through and made positive changes to make our club better than it has been in years! She will truly be missed and we wish her the very best in whatever she chooses next.

Going along in that vein, welcome to Mike Biscotti — we offer our help and support and wish him great success in this new phase at Taberna. Please make sure you introduce yourself to Mike when you are up at the club.

On June 17th, the TWGA 18-Holers hosted our first Women's Invitational in many years. It was terrific! Debbie Polacke spearheaded the tournament, she organized a committee, we all worked hard... what a success it was! Please see page eight for more about the Invitational.

The weather's been hot and dry, we are enjoying the roll on the fairways. The Tuesday and Saturday ladies leagues are going strong; handicaps are trending downward, we've hardly missed a league day, and life is good among the Taberna women's groups! Enjoy!

TWGA - NINE-HOLERS

Regina Gemignani

The TWGA 9-hole group had a great month of golf in June. Sunny skies and summer temperatures enabled us to truly enjoy the game. Unfortunately, we usually have ten or fewer golfers so our special games are not as exciting as they could be.

Pink lady golf had three competing groups but no one was able to produce the pink ball at the end of the round. Instead, prizes went to the three ladies who put their team's pink ball in the water — Donna Lee, Marilyn Staley, and Iris Walter.

Our other special game this month was 3-2-1 golf, but, with only seven golfers, no one prevailed.

Since we can't field a larger group of golfers, our red, white, and blue golf will be simply to wear these colors and play an individual blitz on July 2nd. Please join us, we would love to see more members on Tuesday, even if you just stop by for lunch.

TWGA Women's Invitational ❖ June 17

Early on the bright, sunny morning of June 17th this year, colorful flowers were put on every red tee box, the golf carts were lined up and ready to go in the shotgun start, breakfast was set up in the dining room... the day of TCC's Women's Invitational had arrived!

More than sixty women joined us for a fun-filled day of competitive golf and camaraderie, followed by lunch and many prizes.

This gathering happened because Debbie Polacke thought Taberna's 18-Hole women's group needed to band together, work hard and have an invitational golf tournament. She

asked us if we would help, we said yes, and the whole team hit the ground running for the next six months! So many details — dates, raindates, planning for food, invitations, gift bags, sponsorships, prizes... oh, the prizes!

There were over thirty gift award baskets for low gross and net scores in eight flights; Holes-in-One prizes, prizes for closest to pins, closest to lines, etc. The "prize seekers" collected over \$2,000 worth of prizes

that would fill the gift baskets decorated beautifully by Debbie's worker bees!

There are too many to list here without fear of missing someone, but, all helped make it go very smoothly.

We had a post-tournament meeting last week to follow up — sure, there are some changes to be made; overall, though, our first invitational in years made us all very proud and happy of the club, the neighborhood and the friends we love.

Thanks, Debbie, for leading us and pushing us — well done! Looking forward to next year...
