FROM THE GENERAL MANAGER...

SEPTEMBER 2022

Summer is winding down and school is starting soon and I'm sure many of you have noticed the sparse staff at the pool. Many of our pool staff have already begun school and will only be working on the weekends. The

pool is still open and will remain so as long as the weather permits. Please remember, if the snack bar is not open, you may call the restaurant and order and your food will be brought down to you at the pool. My goal is to keep the pool open until at least October 15th.

I am happy to announce that the golf course will be reopening on Thursday, September 15th! As a thank you to our members for their patience and support throughout the renovation process, we are waiving cart fees and the trail fees for our full golf members. This includes Full Club Members, Foundation, Young Executive, Military and Corporate Membership categories for September.

Please refer to Mark's letter for further information regarding the reopening.

Thank you all for your continued support and thank you for being a member! –

*Shannon Nunn

Hello Members!

September is finally here and we are just inches away from the reopening of the course! It's been a long process, but Taberna's plush greens are the talk of the town!

August has flown by incredibly quickly and we were busy with several events. Sadly, one of our members, Anne Harman, passed away on August 21; the celebration of her life was held in our dining room. It was very heartwarming to see her children, grandchildren and grandchildren gathered to honor Anne.

We flipped the clubhouse around for a large wedding and, then, pulled off an awesome "Trivia Murder Party Night" with our new interactive game on the big television.

The snack bar is open for limited hours due to school being back in session, but, members are still welcome to order from the dining room anytime during regular lunch and dinner service hours.

Events for September are:

- | | |
|----------------------------|--|
| ❖ Thursday, September 1st | ELVIS Night; |
| ❖ Monday, September 12th | Poker Night begins at 6 PM; |
| ❖ Thursday, September 15th | Golf Course REOPENS!!!; |
| ❖ Sunday, September 18th | Clubhouse OPEN for Lunch Service
from 11AM – 4PM; |
| ❖ Saturday, September 24th | Couples Challenge (Call Mark); |
| ❖ Sunday, September 25th | Sunday Lunch Buffet 11AM – 2PM; |
| ❖ Thursday, September 29th | Saturday, October 1st – Taberna Member-Guest
Tournament (Thursday – Dining Room OPEN 11AM –
4PM; Friday and Saturday – Dining Room CLOSED for
Member-Guest. |

****Bar will be open Wednesdays from 4PM – 8PM to gather for drinks with friends.
Lunch menu will be available on Wednesday evenings throughout the month.****

Warm Regards!

AUGUST EVENTS AT TCC

Even though the golf course was closed for the greens' project, most of us at Taberna managed to stay busy and, finally, we anticipate the reopening of our golf course in just a couple of weeks! TCC staff was busy with events... weddings, celebration of life, pool cook-out before schools open, parties, card games, luncheons... The summer flew by and we're so happy the course is reopening soon!

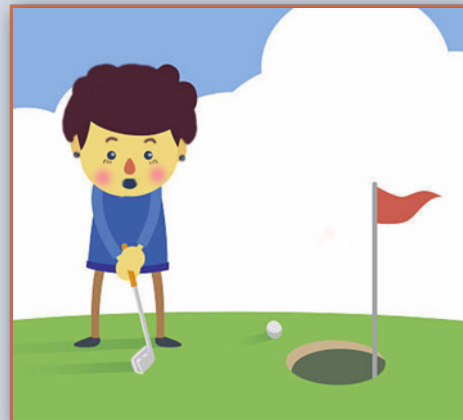

Musings from Barb...

On behalf of the TWGA, I would like to express a huge thank you to Mark and Emily for arranging play dates at some of our neighboring golf courses while ours is undergoing a make-over. Playing at the courses that have the same Bermuda greens as we are getting has been, how should I say, a teaching moment. It has taught me that I need to practice putting on an ice skating rink, for cripes sakes! Plus, these super slick greens play mean tricks with your ball and your head. Just when you think you have hit the perfect putt, you watch with horror as your ball makes a gesture toward the hole as it whizzes by and stops

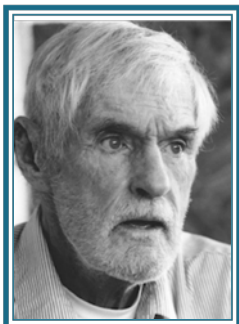

six or ten feet beyond it, if you're lucky! Or, how about that beautiful approach shot that hits the green and races to the back of it while ignoring your shouts of stop, please stop now? Yes, it will be amusing to hear a whole new set of golf expressions that will originate from learning to navigate our new greens. In keeping with the theme of our new Bermuda grass, I think my new saying will be "you dumb grass"...minus the "gr," however! If you hear me repeatedly saying this, please don't take it personally. I'm only talking to myself. And, I have a suggestion for those of you who live near one of our Taberna greens. Once we reopen, you might want to consider keeping your windows closed and the TV volume turned up to drown out these colorful golf expressions. Just Saying!

Cheers, Barb!

TOM LOVE ...TMGA PRESIDENT

Great news! It appears that the golf course will reopen on September 15th. There is no doubt that the new greens will take some get-

ting used to and won't be in top shape for some time. Nevertheless, we can tee it up in a few weeks.

Congratulations to Mark and especially Wade for making this transition so seamless. The TMGA will start back up on September 21st and go through October.

Remember: November 15th TMGA party.

This month's trivia question:

Name the TMGA member who attended one of the institutions listed below:

University of Louisville
Appalachian State
University of Maryland
UNC
Rocko's School of Typewriter Maintenance
Roanoke College
Brown University
United States Air Force Academy
Shirley's Cosmetology Institute (one semester)
University of Pittsburgh
St. Albany's Seminary
The School of Hard Knocks.

Golf is deceptively simple and endlessly complicated; it satisfies the soul and frustrates the intellect. It is at the same time rewarding and maddening - and it is without a doubt the greatest game mankind has ever invented.

THE TENNIS CORNER

WITH BARBARA FLYNN

While the golfers are awaiting the reopening of the golf course (which may be open by the time you read this), the tennis courts are open for all. We regulars have noticed from time to time other club members using the courts, which is very encouraging. It appears as though the summer heat is cooling off a bit which is always good news.

Regarding your tennis racquet, there are three major considerations when purchasing a new racquet or just adjusting your current racquet. The correct racquet head size and string tensions and even small adjustments can make a big difference not only in performance but also in preventing injury.

The overgrip is important to change on a regular basis because that helps to prevent blisters and flipping of the racquet. The string tension and string size can contribute to elbow, shoulder and wrist problems.

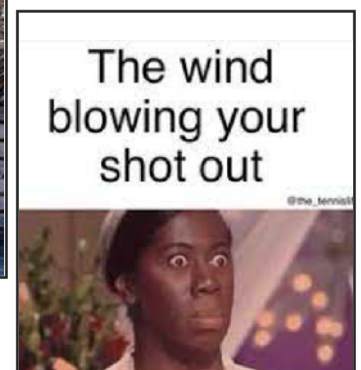

Lastly, for anyone with shoulder, elbow, wrist, or even

lower extremity problems, there may be something that you may tweak in your technique that can make a big difference in your game and comfort on the tennis court.

August 29th marks the beginning of the U.S. Open Tennis Tournament In New York City and continuing through to the Men's Final which will be held on Sunday, September 11th.

The big news is that Serena Williams has announced her plan to retire following the U.S. Open. Also, Angelique Kerber will be missing the tournament due to the fact that she is expecting her first child. On the men's side, Novak Djokovic will not be playing because of his Covid -19 vaccination status since he refuses to be vaccinated against Covid. Roger Federer will be missing his third U.S. Open in a row. Rafael Nadal and John Isner will both be participating in the tournament.

For info about tennis at Taberna, please call the Pro Shop at 634-1600, ext. 1
