Happy Fall, Members!

It may be Fall...but it seems as though the summer temperatures are still trying to hang on for a bit longer!

With the end of the year approaching, we will be conducting a membership audit to make sure our members are in the proper membership category for the new year. I will send out an email to members individually if there are questions!

Also, beginning January 1st there will be a change to the F&B program. We will no longer be open to the public, non-members will need to be the guest of a member for lunch and dinner. We will also be bringing back the food minimum. Starting January 1st, individual memberships will have a \$30 MONTHLY minimum and Family memberships will have \$60 MONTHLY minimum. These minimums will NOT include alcohol. If you have any questions or concerns please do not hesitate to reach out to me.

The holidays are coming up, and we have several holiday parties on the calendar for November and December so please keep an eye

on it! Chef Ashley is preparing a beautiful Thanksgiving Day spread from 11am-3pm on Thanksgiving Day and our Annual Ugly Christmas sweater and white elephant gift exchange party will be on December 20th so save the date! It is always a fun time to celebrate with your fellow members!

The TMGA is once again collecting donations for the Employee Holiday Fund. There is a box in the Pro Shop where you can drop off cash or a check made out to the TMGA if you wish to participate.

***Thank you all,
Shannon Nunn
General Manager***

Welcome to November, members. Mrs. Donna has put the skeletons back in her closet which can only mean one thing...

It's Turkey Time!

Please don't forget to make a reservation for Thanksgiving. We

are already filling up quickly. If you won't be able to spend the holiday with us don't worry – this month is jam packed with loads of tasty events. Let me be the first to introduce our brand new Fall Menu. All of the favorites still remain but we upgraded to add a few more dinner options for our evening crowd. Speaking of dinners, we have three wonderful dinner events planned this month: The club's first annual Oyster Roast, a Murder Mystery dinner, and

Music Bingo will feature a full length soup bar featuring three different comforting soups to keep us all warm this season. I hope to see you all this month and enjoy some wonderful tasty fall treats with my Taberna family.

***See you then,
Chef Ashley***

ROCK THE VOTE!

I don't know about you but I am so glad the election will be over this month, which also includes the political ads and phone calls!

If you're American, you know the presidential election is always in November. But do you know why?

It comes down to the farmers. Not wanting to disturb the planting, growing or harvest seasons, the month of November was chosen as the most logical month for everybody to be able to vote

We are booking up quickly for events in this holiday season, so, if you are considering a party or a meeting, contact me as soon as possible to reserve the date.

Our Halloween party was a blast and there were so many fun costumes! Check out our Facebook page at Taberna Country Club to

see our favorite ghosts and goblins. The DJ, Jay Green, played fun music to dance to and our own Lora Starr taught line dancing.

The Murder Mystery theater event for November 8th will be a fun event – come join us to figure out who the villain is and enjoy a good meal. Don't forget to make reservations as we are filling up fast.

THE TENNIS CORNER

WITH BARBARA FLYNN

What glorious weather we are having for tennis. This is typical for North Carolina. Having been unable to play for a couple of weeks, it was delightful to play this week.

FYI – The Sunday group has changed their time of play. Instead of playing at 6:15PM, we are now playing at 12:30PM. This is a mixed doubles group (although to be honest, more women play). Needless to say, men would be most welcome. If you are at all interested in playing, I suggest you get in touch with me.

There is the odd occasion when we don't have enough to play. You can reach me via e-mail at: tennis11@suddenlink.net Also, if you would like to be added to the list, just let me know.

There is an issue that has come up recently regarding appropriate tennis attire. It has been noticed during a warm day that a gentlemen was playing without a shirt and a young lady was wearing a sports bra as a top. I dare say, this type of warm day will not be occurring for some-

time. However, it should be noted that on public courts anything goes, but Taberna is not a public court. The club is pretty lax on court dress; tennis clothes allow you to move freely and be comfortable. The clothes should also protect you from the sun in warm conditions and be warm when it is cool. In researching "appropriate" attire, most private clubs frown upon gym shorts, t-shirts, and workout clothing. Regarding tennis shoes, they should have "non-marking" soles. Running shoes are a "no, no".

The USTA encourages adult players to take a role in fostering a safe and positive environment for all. They are offering a free 20-minute course from the U. S. Center for SafeSport for adults to keep tennis safe on and off the court.

TMGA WITH JOE VASKO...

I ran across this and thought I would share it with you. These are not my words, but it did resonate with me. Enjoy.

THE GOLFAHOLIC CREED

I am a golfaholic.

I recognize that golf is more than a game; it is a passion that fuels my spirit.

I admit that I have spent countless hours on the course, in search of that perfect swing and the elusive hole-in-one.

I find joy in the sound of a club striking a ball, the feel of the

grass beneath my feet, and the camaraderie of my fellow golfers.

I acknowledge the time and resources I invest, often prioritizing a round over other responsibilities.

I strive for improvement, knowing that every day on the course is an opportunity to learn and grow.

I embrace the challenge, celebrating both my triumphs and my defeats, for they are all part of this journey.

I seek balance, understanding that while golf enriches my life, it is one of many passions I hold dear.

I am a golfaholic, and I commit to enjoying the game responsibly, fostering connections with others, and always playing

with integrity.

Together, we share this love of golf. Together, we thrive.

TMGA President,
Joe Vasko

GOLF CHAT...

WITH DEBBIE POLACKE

Happy Fall, Y'all!

I know why they call it Fall – all the leaves from my trees are falling all over my yard. I don't mind it so much when the pine needles fall – it's free mulch

for the back beds. We have enjoyed beautiful fall weather so far for playing golf but it's November and Tuesday the 5th will be the last game of the TWGA 2024 playing season. That doesn't mean we won't be playing any more golf it just won't be considered league play. Tuesdays will still be ladies' day and we will have priority for

morning tee times.

Tuesday, November 12th will be our Fall General Meeting held at the clubhouse at 5:30 PM. Please plan to come as we have lots to talk about. Anyone considering joining the TWGA is also welcome to attend the meeting and learn the signup procedures.

Although I was away for much of October, the month had some really fun golf events. The beginning of October held the Battle of the Sexes with the women playing against the men. The women won by one point! Way to go, ladies! On Friday October 25th, we had "Glow Golf" that was played in the dark! On Saturday, the 26th, was the Ghost Invitational. In the ladies' division, Congratulations goes to Jean Reichenbach and

Peggy MacSaveny for winning first place! And on Tuesday the 29, the TWGA ladies had their annual Ghost and Goblins Tournament, hosted by Barbara Clark and Eileen Doyle. During the party held at Barbara Clark's home, the winners of the tournament were announced and the winners were the Goblins! Congratulations to the ladies in black!

October also saw the Jimmy Anderson Tournament played at Taberna again. What fun it is to watch those young ladies play. The winner of that tournament shot a "one under par" each day of the two-day event. We can only dream!

Cheers, Debbie
President, TWGA

OCTOBER EVENTS AT TCC

There were so many events throughout October, from golf tournaments to game nights and special dinners to Halloween parties; indeed a very busy, full month! The Annual Jimmy Anderson Tournament brought many young girls from around the state to TCC, the special dinners were eclectic and very much enjoyed (yay, Ashley and staff!). Now, we're ready to get into the very busy winter season... should be fun!
